DA&D1 – Assignment

Title:

Creating Logos

Body:

Most if not all successful companies have a logo that you quickly relate to their product. Now we will create our fictional logos using Photoshop. You will design five different logos.

Assignment:

1. Open Photoshop and create a new 300 x 150 pixels document.
2. Each logo should have three different variations using shapes, line segments and or text.
3. Make sure to save your work to your atvs share under a new folder labeled Logos
