### *DA&D1 – Assignment*

#### *Title:*

How Digital Cameras Work

#### *Body:*

Having the understanding of the digital cameras and there uses are present in our everyday life. There are more to just pointing your camera at your subject and pressing the “take picture button” or shutter release button. In this section you will learn what exactly happens to get that digital image.

#### *Assignment:*

1. Go to our web site; [shhsdigitalarts.weebly.com](http://shhsdigitalarts.weebly.com) and select the How Digital Cameras Work link under the Documents section
2. Read this section carefully and focus on **bolded** and different **colored** words
3. Complete each handout and the substitute will take up at the end of class
